DECREES RESIDENCE REQUIREMENTS AT DUNAPENTELE

The Minister of Interior has, in decree No 5,440.5/39/1951 (IX.23) B.M., regulated residence requirements for the town of Dunapentele.

For permanent residence, a permit must be obtained. Persons who prove that maintaining a domicile at Dunapentele is absolutely necessary for them, because of the nature of their work, training, or family conditions, may be granted residence permits. Persons temporarily transferred from Dunapentele to other localities on official duty may resume residence without a new domicile permit if they return to Dunapentele within 2 years after completion of their work. Applications for residence permits, accompanied by authenticated documents, shall be submitted to the executive committee of the Dunapentele town council. The applicants must prove that they have a dwelling at Dunapentele. The applications must also be accompanied by a certificate issued by the council of the community where the applicants have a permanent residence.

Persons arriving at Dunapentele from other towns or villages may be registered as permanent residents if they produce residence permits. Persons arriving for temporary residence may not stay at Dunapentele for more than 15 days. Expiration of the temporary residence permit must be reported not later than 15 days after the arrival of the temporary residents. If the request for extension is justifiable, extension of the temporary permit may be granted by the chief of police. Temporary residents must show their extended permits to their landlords. If a temporary resident fails to leave Dunapentele before his permit expires, the landlord is required to report him to the police within 24 hours.

Temporary residence limitations are not applicable to persons under work contract to the Danube Ironworks; beneficiaries of group recreation or training directed by state and social organs, provided they have dormitory facilities; and patients at state sanatoria.
